Dear Valued Customers:

We will be issuing a price increase as outlined below. The price increase will take effect as of February 12, 2024. All existing open quotations dated prior to September 1, 2023 shall no longer be immediately accepted after February 12, 2024 and be subject to a complete review.

The noted price increases shall apply to all new quotations, account contracts, and price lists starting February 12, 2024. We shall reserve the right to invoke additional price increases to address uncertainties outside of our direct control.

Description	Price Increase
Bridge – Fabricated products	Project-specific pricing outlined in each quotation.  Fabricated Package price list to be issued on or near February 1, 2024.
Bridge – Maintenance products	2.5%

We appreciate your business, and our sales professionals will work with you on project-specific pricing during the transition period.

Regards,

Gary Moore, P.E.  
Vice President
